

## GUGGENHEIM MINI

Guggenheim is a series of sculptural ceramic vases based on archetypal geometry.

The transition between merged geometry, sharp lines and thin silhouettes creates decorative optical illusions.

The texture of the handmade surface beautifully catches the light, and becomes an artistic object in the space.

The Guggenheim series is handmade ceramic and comes in three sizes.

This is a hand glazed and natural product therefore the colours may variate.

Not waterproof safe.

Designed by:
